

## NO GRAFT FOR LEGISLATORS

GOVERNOR CARTER MAKES A SUGGESTION AS TO THE HANDLING OF WARRANTS.

With a view to an avoidance of even a suspicion of graft Governor Carter has suggested that a closed system of the handling of legislative funds should be adopted.

"The members of the Legislature can gain the confidence of the public more quickly, can remove any possible suspicion of graft more effectively, by adopting a rule that warrants shall accompany every warrant drawn by either house upon the Territorial treasurer," he said yesterday.

"It is not necessary for them to submit their claims to the auditor, if they do not want to do that. But let them decline to submit upon putting themselves entirely above the law, and the people who make the law. If warrants accompany every warrant that is drawn, if their officers and the treasurer be instructed by a rule of the houses not to pay out a dollar for which no voucher is presented, the people will believe that the members of the Legislature are determined to do the right thing. It will remove even the faintest hint of suspicion of any possible wrongdoing."

## CIVIC FEDERATION IS ORGANIZED

OFFICERS ARE ELECTED AND COMMITTEES APPOINTED AND WORK BEGINS.

The Civic Federation completed its organization yesterday at a meeting held at the office of D. P. Castle, Stangenwald building at 4 o'clock. The following officers were elected and committees appointed:

President W. B. Carter; First Vice-President F. J. Lowrey; Second Vice-President Theodore Richards; Secretary Ed Towse; Treasurer C. H. Dickey; Membership and Finance—C. H. Dickey, R. H. Trent, David A. L. Hughes, Louis Andrews, W. R. Castle.

Parks, Streets and Public Works—A. F. Griffiths, F. J. Lowrey, George W. Smithies.

Education, Charities and Public Health—C. H. Wood, P. L. Weaver, Theodore Richards.

Law and Order—D. L. Whittington, D. Scudder, D. D. Ed. Towse.

The Executive Committee of nine which was chosen at the previous meeting reported some radical changes to the tentative constitution which had been adopted, and these were approved. The most important change was the increase of the executive committee from nine to fifteen. The following additional members were selected: to serve three years, Louis Andrews and G. W. Smith; to serve two years R. H. Trent and J. A. Hughes; to serve one year, C. H. Wood and Percy L. Home of Kamehameha.

J. A. Hughes raised the question of whether government office holders should be permitted to hold office in the federation. The sense of the meeting was that there was no objection.

Following the adjournment of the federation the executive committee held a meeting at which the local opinion and some other measures were discussed, but without final determination as to any of them.

W. R. Castle presided at the meeting of the Federation. Among those present were: W. R. Castle, G. P. Castle, Rev. Doremus Scudder, D. D. F. J. Lowrey, S. M. Kanakani, David A. L. Judge, P. L. ## HARMONIZE ON A COUNTY ACT

COUNTY ACT COMMISSION GETS TOGETHER ON ALL ESSENTIAL POINTS AND ADOPTS REPORT

At the meeting of the County Act Commission last evening the report of the harmony committee was adopted. This report contains a plan for a bill which harmonizes the differences of the committee in the past. It was agreed to by all members of the commission except Watson who would not agree to the provision that restricted the county from levying taxes, he saying that that was of the very essence of county government. The report of the committee outlined the amalgamation of the two bills already prepared, paragraph by paragraph. The report concluded:

In addition to the bill reported we are of the opinion that there should be an amendment to the Penal Laws providing for a penalty for the violation of duties by County Recorders, and also providing for a penalty against the mutilation of records in the Recorder's office. In our report and recommendation to the Governor, notice should be given of the necessity of a new revenue or taxation law, and also an act providing for appropriations to provide the necessary funds for the inauguration of County Government.

We recommend that the Act accompanying this report be adopted by the commission, and that the same be transmitted to the governor.

The Commissioners, with the exception of Watson voted for \$300 per annum as compensation for supervisors Mr. Crabbe stated, however, that a supervisors in Kohala, Island of Hawaii, traveling to Hilo to attend meetings, would have to pay out at least \$25 for his traveling expenses, to Honolulu and there would be his expenses in Hilo. Here is would be different.

New sections were added to include school agents in the list of persons elected in counties, and salaries were suggested. Stewart favored cutting down the Honolulu school agent, who is also the assistant secretary of the Department of Education, from \$1800 to \$1200 per annum. Where two districts on this island were combined, Ewa taking in Waianae, the amount was put double, or \$1200 per annum, providing for two agents at \$600 each.

The matter of holding the first county election was discussed. It will be held on June 6, and the elected officers will take hold of county offices the first Monday in July.

The secretary stated that he addressed letters to people at various proposed country seats asking what the cost would be to establish county offices. Stephen Desha of Hilo said rooms could be had there at \$100 per month. The Hilo Board of Trade said rooms in the Spreckels Block could be had for \$10 per room.

D. H. Case of Wailuku said rooms could be rented cheaply. Letters from Lihue were to the same effect.

### DEATHS OF A MONTH.

The report of the Board of Health for January shows that with a total population of 29,306, there were 57 deaths in Honolulu during the month, a mortality percentage of 1.45. Of those who died, eleven were under one year old, six were between the ages of one and five years, seven between the ages of ten and twenty years, five between the ages of twenty and thirty, seven between the ages of thirty and forty, four between the ages of forty and fifty, seven between fifty and sixty, five between sixty and seventy, and five over seventy years old.

There were 21 males, and 26 females died, divided as to nationality as follows: Native Hawaiians, 33; Chinese, 7; Portuguese, 3; Japanese, 10; Americans, 2; other nationalities, 1. There were forty-six marriages reported to the Board of Health, and thirty-nine births.
